

RE: OPTOMETRIST POSITION and \$1,000 SIGNING BONUS

Midwest Eye Guyz, a licensed operator of Pearle Vision currently has opportunities for both full and part-time optometrists at the following location:

About Us

Founded in 1999, *Midwest Eye Guyz* is a group of 4 franchised Pearle Vision locations employing over 50 Optometrists, Doctor's Techs, Opticians, Lab Technicians and Managers. Proudly, we are two-time winners of the coveted *Stanley Award* from Pearle Vision corporate.

At *Midwest Eye Guyz*, we believe in preventative eye healthcare. We apply the medical model in our daily optical practices within a retail setting. Using state-of-the-art equipment such as HD OCT, Fields Fundus and Digital Retinal Photography, we are able to diagnose and rule out many chronic medical conditions that affect our patients. We also work closely with a team of ophthalmologists, retinal specialists and lasik providers to refer patients who are in need of surgeries and further care.

The Position

Our hourly salaries are some of the most generous salaries within the industry. We offer the opportunity to work full or part-time and are flexible. We pay for the best and expect the best. Many our optometrists have been a part of our team for a decade or more. At Pearle Vision, we believe the doctor comes first because that is what drives our business and the patient experience. Because of that, we have a commitment to our optometrists to provide the best support available. *Midwest Eye Guyz* offers Health Insurance and Malpractice Insurance in addition to annual licensing fees. Additionally, a generous paid vacation program is also in place.

Signing/Referral Bonus

Midwest Eye Guyz, in an effort to find the best optometric talent available, is offering a \$1,000 Signing Bonus to optometrists who complete 6-months of service. This offer is also available to doctors who refer an optometrist who is hired and completes a period of 6-months of service at *Midwest Eye Guyz*!
